Other Working with Medicare Webinars

The Working with Medicare webinar series provides key information about the Medicare program that states need to know to design, implement, and improve programs for dually eligible beneficiaries. Previous Working with Medicare webinars include:

- **Update on State Contracting with D-SNPs** (ICRC/December 2017) Provides an update on the current status of state contracting with D-SNPs and explores strategies that states can use to further Medicare-Medicaid integration on a D-SNP-based platform. Recording

- **Coordination of Medicare and Medicaid Behavioral Health Benefits** (ICRC/September 2017) This webinar provides an overview of Medicare and Medicaid behavioral health benefits for Medicare-Medicaid enrollees and opportunities to improve coordination in integrated care programs. Recording

- **Medicare and Medicaid Nursing Facility Benefits: The Basics and Opportunities for Integrated Care** (ICRC/April 2017) This presentation provides an overview of: (1) similarities and differences between Medicare and Medicaid nursing facility benefits; (2) the typical demographic profile of nursing facility residents; (3) Medicare and Medicaid payment methods, amounts, and incentives; and (4) opportunities for states to use managed care to improve nursing facility care. Recording

Please submit any questions or technical assistance requests to ICRC@chcs.org.

ABOUT THE INTEGRATED CARE RESOURCE CENTER

The Integrated Care Resource Center is a national initiative of the Centers for Medicare & Medicaid Services to help states improve the quality and cost-effectiveness of care for individuals dually eligible for Medicare and Medicaid. The state technical assistance activities are coordinated by Mathematica Policy Research and the Center for Health Care Strategies. For more information, visit http://www.integratedcareresourcecenter.com.
